

STUDIO CAMBRIDGE'S MISSION STATEMENT

Studio Cambridge's mission is to bring together people from around the world to learn English in England and to encourage intellectual curiosity, cultural awareness and tolerance in all that we do.

We aim to provide a safe, welcoming environment in which our students can improve their English language skills and gain insight into British life, culture and heritage, both inside and outside of the classroom.

Through our core values we aim:

- to treat with respect our students, staff and service providers, regardless of ability, age, gender, nationality, religion, race or any other defining characteristic
- to be ethical, honest and fair
- to recognise each student as an individual
- to offer the highest quality of service that we can
- to communicate clearly, openly and directly, in a timely fashion
- to provide a safe, secure and comfortable environment for study, play and living
- to adhere to the code of conduct and professional guidelines of our member organisations
- to promote the core British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs
- to provide our staff with the opportunities for training, development and a comfortable work-life balance
- to maintain the financial viability of the company
- to be a respected member of the local community
- to be mindful of the company's impact on the environment, and to seek to promote green policies where possible
